We're off to the Hilly Bits in glorious North Wales, having a three day, 2 night long weekend stay at the Royal Goat Hotel, Beddgelert that is situated right in the heart of beautiful Snowdonia at the start of the stunning Aberglaslyn Pass, with the Welsh Highland Railway running right past the hotel.

There will be a lunch meet up en-route up prior to going through the Snowdonia National Park on the way to the hotel, and an optional day on Saturday driving around the amazing roads.

You'll be staying at the hotel on a Dinner, Bed & Breakfast package that will include full Breakfast and Evening meals for both days, and parking, all for a fantastic all-in price of £125.000 per room per night sharing a twin/double en-suite room. Single occupancy is £75.00 per night. Deposit £50 per room, balance on departure.
